School year tuition for a full day that includes three hours of VPK is \$90. a week with the first week due at time of enrollment. There are exactly 36 weeks in our school year with 180 days in class. Your payment does not change on those weeks that include holidays. Our calculations take that in to consideration and are based on days in school only.

Weekly Before and Aftercare from 6:00 am – 8:30 and 3:30 pm – 6:00pm is one fee of \$75. a week. Our after care utilizes structured lesson plans that include music and fun ways of reinforcing learning as well as learning new playground games that encourage problem solving. The rations are lower at this time and your child receives lots of individual attention.

If you need to pick up late or drop off early on occasion please let us know ahead of time and the fee will be \$25. per time.

If you are late picking up because of unforeseen reasons, and it's not planned, call us as soon as you know this will happen. There is a late pickup fee of \$25.
